

Gross Mendelsohn and ComputerEase Join to Present “Year End Tax Planning Tips for Contractors” Webinar

For immediate release: December 10, 2009

Baltimore, MD – [Stephen K. Ball, CPA, CVA, CCIFP](#), and Scott D. Handwerger, CPA, presented “Year End Tax Planning Tips for Contractors” at a webinar sponsored by ComputerEase, the leading project management and construction accounting software for contractors.

The webinar offered tax tips related to accounting methods, depreciation, deductions, payroll taxes and qualified retirement plans. Attendees included construction company owners, chief financial officers and controllers from throughout the United States.

Ball is a partner at the CPA and management advisory firm of Gross, Mendelsohn & Associates. He is the leader of the firm’s Construction Consulting Group. Handwerger is a tax manager and a member of the firm’s Construction Consulting Group.

Gross Mendelsohn is a full-service CPA and consulting firm serving the complete financial needs of privately-held businesses, nonprofit organizations and families in the Mid-Atlantic region. In addition to offering traditional audit, accounting and tax services, the firm specializes in personal financial planning, litigation support, asset management, business valuation and technology consulting. Gross Mendelsohn is Maryland’s exclusive reseller of ComputerEase software. For more information, visit the firm’s Web site at www.gma-cpa.com.
