*For immediate release: July 19, 2010*

Baltimore, MD – More than 30 members of Gross, Mendelsohn & Associates' staff will volunteer at the [Maryland Food Bank](#) on Tuesday, July 27, 2010. They anticipate completing a special project, which involves sorting a large shipment of canned goods that require labeling, for the Maryland Food Bank.

Gross Mendelsohn, a Maryland-based CPA firm, is celebrating its 50<sup>th</sup> anniversary year in 2010 by taking on several large-scale community service projects like the one with Maryland Food Bank. The firm completed a similar community service project on June 23 with Parks & People Foundation, when 33 volunteers from Gross Mendelsohn planted trees, installed raised garden beds, planted hundreds of perennials, collected trash and spread mulch around the Sandtown-Winchester Community Center and Women's Alternative Living Facility in Baltimore City.

"It just makes sense to commemorate our anniversary with service to our community," says David Goldner, CPA, CVA, CFP, Gross Mendelsohn's managing partner. "Because the Baltimore community has supported the firm since 1960, it's only appropriate that we honor that support by giving back to the community. We look forward to continuing to make a difference in Baltimore through volunteerism."
