

Local CPA and Technology Expert Speaks at Business Conference

For immediate release: June 30, 2008

Baltimore, MD – Sharon Paul, CPA, CITP, presented “Help Your Clients Make a Smart Move to Microsoft Dynamics GP” at a conference for CPAs and other business professionals. Paul is a partner at the CPA and management advisory firm of Gross, Mendelsohn & Associates. She leads the firm’s Technology Solutions Group, a full-service technology consulting practice specializing in the installation and support of accounting applications, and the setup and support of computer networks.

The June 17-18, 2008 conference, the MD Biz Expo, was sponsored by the Maryland Association of CPAs. The conference included nearly 100 continuing professional education sessions, 100 exhibitors, and a swearing-in ceremony for new CPAs.

Gross Mendelsohn is a full-service CPA and consulting firm serving the complete financial needs of privately-held businesses, nonprofit organizations and families in the Mid-Atlantic region. In addition to offering traditional audit, accounting and tax services, the firm specializes in personal financial planning, litigation support, asset management, business valuation and technology consulting.
